Tribute from the Children

Mother you were the truest, dearest, more than a mother to us. We called you a mother and a friend. You were a precious gift from God, so much beauty, grace, love and patience you possessed.

You touched our hearts in so many ways. Your strength and smile even on dark days made us realize we had an angel beside us.

Mother you heard God's whisper, calling you home, you did not want to leave us. We saw how you fought with your illness.

You loved us so much that you held on tight, until all your strength was gone, and you could no longer hold on.

Finally you gave your hand to God and slipped away quietly.

We will forever love and adore you mom for everything you taught us in life. Your death took away joy from our lives but we will hold on to the beautiful memories of times spent with you.

Rest in Peace Mum. Till we meet Again!

From your Loving Children.

From Grand Children

Shush.... Words can't explain the pain we feel in our hearts. Tears can't show how much we loved and still love you. You were kind, warm and loving. Your presence always made us feel safe and loved. Apart from the love, you were a quiet strength in our life. Always giving the courage to push for things we wanted.

Even now, it's hard to read this to you. It feels like our hearts are breaking beyond repair.

We never thought it would be this hard. We say thank you, thank you for leaving us with our dear parents. Thank you for leaving a piece of you with us. With them, we promise to cherish your memory. We promise to remind them your beautiful smiles and your joyful character.

We promise to remind them that you love them so much. We miss you deeply and we will always carry your light with us.

Till we meet again Shush.
